. 2 -

it was determined that the units had left the Burgstall Forest. 2

3. The following military shipments were entrained at the Haldensleben railroad station on 31 March and 1 April and went toward Magdeburg:

31 March. At noon, a shipment of approximately 20 trucks and 6 JS tanks.

1 April. At 2015, a shipment of 4 JSU-122 guns, 8 canvas-covered tanks, 22 trucks,4 field kitchens and 18 boxcars with soldiers wearing red-bordered black epaulets. It was noted that trunks of trees had been put under the tank tarpaulins, apparently in order to change the outlines of the tanks.

- 4. At 1930 on 3 April. 16 x 85-mm AT guns and 15 trucks from the Flak Kaserne (2002) were entrained at the Brandenburg-Altstadt railroad station. After the loading, the installation was only 50 percent occupied. 4
- 5. On 31 March, the following observations were made at the Wustrow

  AA firing range:

The buildings of the former German Flak Schule were partially destroyed. The Soviet units had been quartered in new wooden cantonment buildings. The Bauunion Rostock was constructing low brick buildings at the edge of the peninsula. The new buildings were difficult of observe. Two AAA emplacements, each with 4 medium AA guns, were located between the destroyed buildings of the former Flak Schule Several times a day, the two batteries alternately fines. The barrels were elevated at a high angle. During the fire, the noise of aircraft engines was repeatedly heard.
